Weekly Schedule

In the Garden June 12–June 16

Get your hands dirty in the garden! This week, we will learn about how plants grow and all of the different foods we can grow ourselves, and we'll plant our own garden!

Fabulous Foods June 19–June 23

Bon appetite! This week, we will explore different foods, with a focus on where our food comes from! Farms, personal gardens, and healthy eating will all be explored!

Bugs and Butterflies June 26–June 30

This insect-filled week will focus on the helpful insects all around us! How do these critters help us and the environment?

Fun with Flags July 3–July 7

This week, we will look at the flags of different countries, including the American flag and what each of its parts mean as well as nautical flags and their meanings, and even make our own flags!

Around the World July 10–July 14

After learning about the flags of different countries, let's learn a little more! This week, we'll explore the cultures and traditions of countries from different continents!

Welcome to the Jungle July 17–July 21

This week, we will explore the Amazon rainforest! What animals live there? Why is it important to protect the rainforest?

Grassland Safari July 24–July 28

We've explored different cultures and trekked through the rainforest! Now, we will go on a safari through the grasslands of Africa. What animals will we see?

Under the Sea July 31–August 4

After traveling the globe and seeing what's on land, let's find out what we can see under the sea! This week, we'll explore the creatures of the deep!

Let's Go Camping August 7–August 11

Let's begin to wrap up our summer with a good old-fashioned camping trip! We'll make s'mores, create tents with found materials, and learn about some of our local wildlife!

All About the Arts August 14–August 18

We will wrap up our summer of fun by exploring the arts! We'll create little plays, sing songs, dance, sculpt, and paint! Discover your inner artist!
